How you can help...

The pond project offers adults with a learning disability the opportunity to learn about conservation, land management and gain work experience.

Jersey Mencap can meet many CSR requirements through sessions at the Pond Project and welcomes the support of local groups and organisations.

Benefits to your organisation

- Team building.
- Good CSR opportunity.
- Help maintain a happy workforce.
- Improved business reputation.
- Increased publicity.
- Build a partnership with a local charity.

For more information, please contact Jersey Mencap on 866622 or email info@jerseymencap.org
